

ACCESSING YOUR CLASS'S CANVAS SITE

Summer 2020 Online

For joining your class's Canvas site, we strongly recommend creating your account and logging in first. Use the following URL to log in to Canvas, or to start the process of creating an account:

<https://canvas.instructure.com/login/canvas>

The screenshot shows the Canvas login page in a browser window. The page has a dark blue background with the Canvas logo and 'FREE FOR TEACHER' text. There are input fields for 'Email' and 'Password', a 'Log In' button, and a 'Stay signed in' checkbox. Below the login fields are social media icons for Facebook, GitHub, Google, LinkedIn, and Twitter. At the bottom, there are links for 'Help', 'Privacy Policy', 'Acceptable Use Policy', 'Facebook', and 'Twitter', and the 'INSTRUCTURE' logo.

Annotations on the screenshot:

- A yellow callout bubble points to the 'Need a Canvas Account? Click Here. It's Free!' link with the text: "If you don't want to use a pre-existing account, click here to create a brand new Canvas account."
- A yellow callout bubble points to the social media icons with the text: "You can use these buttons to create a Canvas account with information from a service you already use."
- A yellow callout bubble points to the 'INSTRUCTURE' logo with the text: "Make sure this says 'Instructure'".

After you are logged in, visit the following URL to join your class Canvas site:

Replace **{CLASS JOIN CODE HERE}** with your class's join code, or else you will get a 404 error. You may find your class's Join code in your ATDP website online account.
