

# TRANSIT INFORMATION & INSTRUCTIONS

Washington School sits in a small, quiet neighborhood that is not designed to handle large amounts of traffic. Your careful observation of these instructions will help speed up the process, keep traffic orderly, and avoid accidents.

## Drop-off instructions

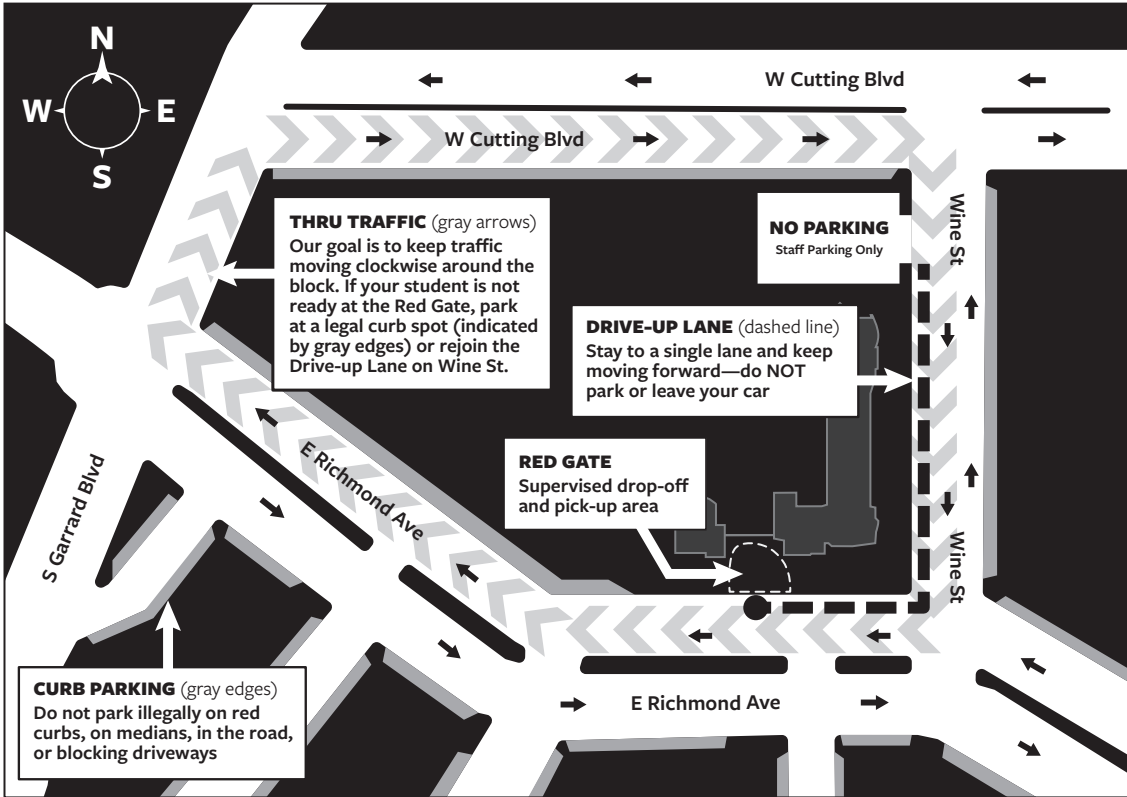

Enter on Wine St. and stay to a single lane against the righthand curb. After turning right onto E Richmond Ave., students should be dropped off at the supervised area in front of the Red Gate.

## Pick-up instructions

Traffic at the end of class can be heavy, so please be patient and allow a few extra minutes. There are two options for pick-up.

**1. Park & meet.** Curb parking is available in the surrounding neighborhood (gray edges on the map). Please be respectful of the school's neighbors and refrain from parking in driveways or blocking any of the very narrow streets nearby. Once legally parked, meet your student at the Red Gate area.

**2. Drive-up lane.** Enter the drive-up lane on Wine St. (dashed line on the map) and follow it to the E Richmond Ave side of the school. If you do not see your student when you get to the Red Gate area, please exit the drive-up lane. You can either drive around the school in a clockwise direction (gray arrows) and re-enter the drive-up lane on Wine St OR park & meet your student (see above). This helps to keep the line of cars moving and makes it faster for everyone. *Tip: It can take some time for students to get to the Red Gate after dismissal. Arriving around 10 minutes after the end of class helps ensure your student is ready and makes pick-up easier.*

TRAFFIC MAP

# DRIVING DIRECTIONS TO WASHINGTON SCHOOL

**From San Francisco, Berkeley/Oakland, Highway 24, the Peninsula, and the South Bay:** Take I-80 East to the I-580/Richmond-San Rafael Bridge junction (right lanes), and continue on I-580 West. Follow I-580 to the Canal Blvd. exit. Turn left onto Canal Blvd. Go under the freeway and move to the right hand lane. At the next light, turn right onto Cutting Blvd.

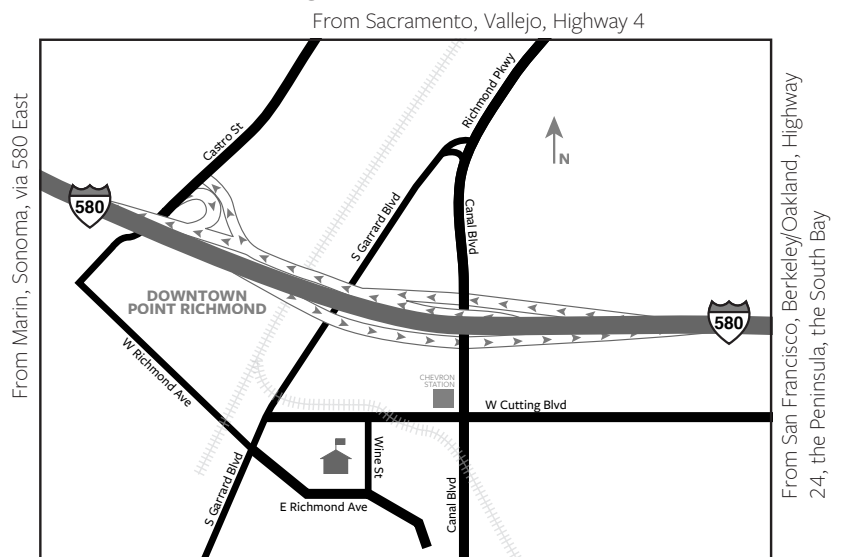

**From Sacramento/Vallejo/Highway 4:** Take I-80 West. Exit at Richmond Parkway. Turn right onto Richmond Parkway and continue for several miles. Richmond Parkway becomes Canal Blvd. After passing the 580 overpass, turn right onto Cutting Blvd.

**From Marin/Sonoma via 580:** From US 101 take I-580 East across the Richmond-San Rafael Bridge. Take the Canal Blvd. exit. Turn right onto Canal Blvd. At the next light turn right onto Cutting Blvd.

## Once on Cutting Blvd:

Continue west on W Cutting Blvd for one block and then turn left onto Wine Street, just after the railroad tracks. Washington School will be on the right.

## Area map to Washington School, 565 Wine Street

*Tip: If the Canal Blvd. westbound exit looks congested, you can also take the next exit for Richmond Pkwy/Pt. Richmond via Castro St. and approach the school from the west (follow signs for Pt. Richmond).*
